

Otley Parish Church

OTLEY BEER FESTIVAL is an annual Otley Parish Church event usually held in the month of November at Otley Rugby Club.

Have you ever been to it?

The Beer Festival is a charity event raising money for local worthwhile causes. The entry charge includes several beer tokens and a commemorative glass to take home. It is a fantastic opportunity for you to support the local community, sample a few excellent beers and generally have a great time.

Each year there are about 60 cask beers from local brewers, as well as keg beers, real ciders and perries, global beers and even soft drinks.

There's also entertainment from local bands, musicians and community groups. Good food is on offer too.

Proceeds are shared between various charities and Otley Parish Church.

Do come along and give it a try!
